OWLCHIEVER 10 MONTHLY REWARD DETAILS

+ If an Independent Designer achieves 10 or more Owlchiever Points between April 1 2016 at 12:00 a.m. CT - April 30 at 11:59 p.m. CT you will earn a cash bonus.
+ How this bonus is calculated: Origami Owl will calculate 1/2% of the company's PV to be paid out in a bonus to Owlchiever 10 achievers.
+ Origami Owl will determine how much of the pool to pay each Owlchiever 10 achiever by dividing the total Owlchiever Points earned by the Independent Designer by the total points earned by all Owlchiever 10 achievers. Example: 10 Independent Designers achieve Owlchiever 10 and their combined Owlchiever Points total to 200. If 1 Designer earned 50 Owlchiever Points, that Designer would earn 50/200 or 25% of the total pool set aside for this bonus.
